This fully renovated showstopper in the desirable Waterloo subdivision is the one you've been waiting for. Taken down to the studs, this home has been completely reimagined with high-end finishes and thoughtful updates throughout. Every major component has been replaced including the roof, windows, siding, insulation, flooring, cabinets, countertops, vanities, toilets, appliances, hot water heater, and more. Electrical and plumbing have been upgraded as well, offering peace of mind for years to come. Situated on a beautifully landscaped 1.56-acre lot dotted with mature live oaks, cypress trees, and lush greenery, the outdoor space is just as impressive. Out back, a fully renovated office or mother-in-law suite provides excellent flexibility for extended family, visitors, or even rental income. Inside, you'll find a wood-burning fireplace, spacious bedrooms, and gorgeous flooring throughout no carpet in sight. The formal dining room is perfect for entertaining, and the oversized pantry and utility room with built-ins provide ample storage. Every detail has been carefully crafted in this well-designed home, where no expense was spared and no corner was cut.
