Beautifully renovated home with a full guest apartment and premium upgrades throughout! This meticulously updated home offers luxury, comfort, and functionality at every turn. Renovated with care and high-end finishes, the property includes a separate full guest apartment, perfect for multigenerational living or guests. Walking in, you will be greeted with high ceilings, fresh paint & new hickory wood flooring installed throughout. The kitchen is stunning and features a butler's pantry with herringbone brick paver flooring, large island with barstool seating, tons of cabinetry, upgraded appliances, gas range and a picture window over the sink. It is open to a breakfast room and a sitting area complete with a fireplace. There is a second fireplace in the spacious living room that is also connected to the formal dining room. When you come in from the backyard you will enter a spacious mudroom - perfect for an office or crafting. The primary bedroom is spacious with enough room for a bed and couch, and an en suite that includes a soaking tub, marble walls and floors, a new walk-in shower, and updated lighting and fixtures. Additional updates include: New tankless water heater (2024), New Anderson windows throughout (2023) & an upgraded HVAC system. The attached guest apartment, located above the garage, was thoughtfully updated with
