Great investment opportunity with tons of potential! This spacious property offers ample square footage for the price and just needs a little creativity and elbow grease to truly shine. In the backyard, you'll find a concrete slab where a shed once stood with existing water and electrical hookups ready to be rebuilt into a guest house, workshop, or income-producing rental. With dual access from both Peach Street and Oak, the possibilities are wide open: build a rental unit for passive income, or create the ultimate man cave or she shed. Conveniently located just 10 minutes from downtown, the hospital, shopping, and restaurants, this property is ideal for investors or homeowners looking to build equity and customize a space to fit their vision.
