Ideal lot and location on False River! The entire lot is paved so that means no grass to maintain! The lot includes a garage-type RV shed with hookups and a sink. All electricity and water is run to the shed. The lot features multi-level decking and is fully landscaped for hours of enjoyment. The bulkhead and pier are very sturdy and the pier has a boat lift, party deck with benches and a jet ski run. The RV may be purchased separately as well as the boat.
