**3 Bedrooms | 1 Bathroom | 1,248 Sqft**

Tastefully updated, this home's updates include a new roof, fresh paints outside and inside, lovely water proof wood look vinyl floors & several new ceiling fans. The extra room which is used for a laundry room can also be a 4th bedroom. Appliances which include a built in cook top, new wall oven, refrigerator, microwave and washer & dryer will remain with the home. There is a new Central A/C with heat. Mature foliage surrounds the house with various plants and shade trees. The cement parking pad is very large which can accommodate several parked cars. You may want to hurry to view because this home is move in ready! Furnishing in home is available for sale.(measurements are not warranted by seller and are to be verified by buyer)
