**2 Bedrooms | 2 Bathrooms | 1,242 Sqft**

Location, location, location!!!! This two bedroom, two and a half bath condominium is located just off Bluebonnet. The primary suite has a cathedral ceiling, walk-in closet and full bath. The second bedroom has its own private bath as well. Some of my favorite features are the spacious living room centered around a fireplace, laundry room and private patio. This condo has been meticulously maintained and updated with quartz countertops, new stove and dishwasher, fresh paint and more!
