If you like outdoor living, this is the home for you! Not a cookie cutter home, this is a 3 bedroom 3 bath home featuring a spacious kitchen with plenty of counter space and room for dining, a den, a sunroom, a bonus room being used as a living room, no tiny bedrooms here, there is area used for gaming you can make your own space, a laundry room area, large workshop, and parking space you have to see to believe. The storage building has been made into a small apartment. The expansive back patio makes outdoor living a joy. An above ground pool with deck and shade from the sun make it enjoyable anytime of day. The large workshop shop is a carpenter's dream.
