Step inside this spacious 2 bedroom home where each bedroom offers the comfort and privacy of its own en-suite bath. The heart of the home features a large kitchen and dining room, perfect for family gatherings or entertaining friends. A dedicated office provides space for work or quiet focus, while the living room boasts soaring cathedral ceilings that create an open airy feel and french doors leading to a covered patio. For hobbies, projects, or extra storage, you will love the large workshop. Plus, a small guest house with its own kitchen and half bath is the perfect retreat for visitors, extended family, or even a private studio. Outside, the home offers a partially fenced, oversized yard, giving you room to garden, play, or simply relax and enjoy the outdoors. This property combines comfort, functionality, and charm-ready to welcome you HOME!!!
