This wonderful home in the heart of Zachary is located at the dead end of a very quiet street. A tree-lined driveway with an extra parking pad for all of your drivers makes this the ideal space for you. The front porch couldn't be more welcoming. Upon entering the front door, you'll see a stately staircase leading up to 3 large bedrooms and a full bathroom. On the first floor, you'll find an office, formal dining, breakfast room, a sunken den, large kitchen, the primary suite and a full bath for guests. This home could easily be considered a 5 bedroom. Schedule a private tour to see this gem nestled in one of my absolute favorite hideaway neighborhoods in Zachary.
