3 Bedrooms | 2 Bathrooms | 1,650 Sqft

Imagine This... Driving home down a quiet street lined with mature landscaping and lots of tall trees, you arrive at your perfect Acadian-style home, pull into your driveway through a super cute picket fence into your carport. Step inside your back door into a spacious kitchen, complete with an large island, wood cabinets and a bright breakfast nook with windows overlooking the beautiful backyard. There is also a formal dining room that adds some flexibility it s perfect for entertaining, or it can easily serve as a home office, playroom, or as it is currently used, an exercise room. Time to unwind - this cozy living room, with a warm fireplace and custom built-ins create the perfect spot for good movie night or just relaxing after a long day. When it s time to settle in for the evening, the private primary suite is thoughtfully set apart from the main living area and secondary bedrooms. The ensuite bath offers dual vanities, a jetted tub, separate shower, and a dreamy walk-in closet. Two additional bedrooms share a full hall bath, making this home both comfortable and functional. Out back for outdoor space - you ll love the covered porch and spacious fenced yard perfect for enjoying the extremely peaceful setting. As the cooler weather arrives, the firepit area will make the perfect gathering spot for friends and family. Conveniently located just minutes from Juban
