This beautiful home is a true hidden gem full of character while being right in the heart of the city! Nestled on a large, beautifully landscaped corner lot with mature trees and a two-car covered carport, this property blends style, function, and plenty of personality. Step through the inviting front entry into a warm and welcoming space. Laminate floors flow throughout much of the home, leading you to a spacious living area with soaring cathedral ceilings and a cozy gas fireplace. The floor plan is designed for both comfort and entertaining, with a light-filled formal dining room, breakfast area, and a kitchen featuring a gas cooktop and sleek granite countertops. A convenient half bath is located just off the main living space for your guests. The primary suite is a private retreat with two closets, dual vanities, and lots of natural light. Each additional bedroom is thoughtfully designed with its own colorful flair, giving every room a unique personality. Step outside, and the backyard truly steals the show. With a brand-new pool liner, extended covered patio, and full fencing, this space is perfect for hosting summer pool parties, relaxing with family, or simply enjoying your own private oasis. If you've been searching for a home that offers charm, character, and a fantastic setup for entertaining, this one checks every box!
