Don't miss this opportunity to own almost 2.5 acres of land offering endless possibilities. Whether you are looking to build your dream home or invest this expansive lot provides the space and freedom to make it happen. A vacant structure does sit on the property, but it is being sold as-is with no value assigned - the true worth lies in the land itself. Priced below a recent appraisal, this is a rare chance to secure a substantial parcel at an exceptional value.
