Situated on a large corner lot, this home offers 2 bedrooms plus an additional space that could serve as a third bedroom or office. Enjoy relaxing on the inviting front porch or side deck just off of the kitchen. Inside you'll find a spacious kitchen with a breakfast area, a large dining room just off the living room, and plenty of room to make it your own. One-car carport located at the back of the house. Hardwood floors in the living room need some attention, and the home will require a new roof. Location is ideal - close to shopping and dining in Jackson.
