Welcome to this beautiful single-story ranch-style home with modern touches, offering over 2,500 square feet of living space on over an acre lot. With excellent curb appeal and an inviting layout, this home was designed for both comfort and entertaining. Natural light fills the interior through skylights in the kitchen and primary bathroom and lots of windows throughout. The open floor plan features soaring ceilings, wood flooring, and a cozy living room with fireplace. The chef's kitchen includes granite counters, a gas cooktop, eat-in/work island, and abundant cabinet space, plus a dining room and breakfast area. The primary suite is a true retreat, spacious with patio access, two walk-in closets, double vanities, jetted tub, and separate shower. Two additional bedrooms and a guest bath are located in their own private wing. A flexible den/sitting area offers the option of a home office or potential 4th bedroom. Off the kitchen you'll find a half bath, pantry/storage, and laundry room. Outdoors, enjoy a large covered patio, extended deck, pool, and plenty of yard space. A 12x32 metal workshop/shed, carport with storage, and a garden area add even more appeal. Convenient to shopping, dining, and schools yet tucked away for a country feel. Call today to schedule your private tour!
