4 Bedrooms | 2 Bathrooms | 1,956 Sqft

NO HOA! DID NOT FLOOD! This stunning 4-bedroom, 2-bathroom home with a private office/study is filled with upgrades and thoughtful design. The open, split floor plan features a chef's kitchen with granite countertops, stainless steel appliances including a gas range, custom painted cabinets, and a wall of windows that flood the space with natural light. The kitchen overlooks the inviting living room, complete with a cozy gas fireplace and more windows showcasing the expansive backyard. Make sure to notice the perfect office/study space right off the foyer with its own door for privacy. The master suite offers a peaceful retreat with a spa-like bathroom featuring dual slab granite vanities, a relaxing garden tub, a separate shower, and a massive walk-in closet. Additional bedrooms are generously sized with ample closet space, while the hall bath also includes a granite vanity. Step outside to the oversized lot perfect for a growing family, a future swimming pool, or a gardener's dream. This home truly has it all! New HVAC. *Square footage nor lot dimensions warranted by Realtor*
