\$169,000

4 Bedrooms | 2 Bathrooms | 1,595 Sqft

This home is one of the only 4 bedroom floor plans in desirable Acadiana Place in Watson. It has a great floor plan with granite counters and abundant storage in the kitchen. The den is large and opens to the breakfast room. All of the bedrooms are nicely sized and the outdoor covered patio is great for entertaining. This is a lake lot and the view is incredible. Needs some TLC to get it back to its glory, but it has high potential.
