MLS# 2025017590

\$175,000

Rare opportunity to secure three cleared lots, each approximately one acre, located in Flood Zone X (no flood insurance required). Currently zoned R-2, paperwork has already been filed to rezone to R-1. At this time, only single-family dwellings are permitted (no mobile homes), with full rezoning approval expected after December. (R-1 will allow mobile homes). These spacious lots offer excellent potential for new construction in a well-established area.
