Properties like this don't come along often. Set on 4.8 acres at the end of a no-outlet road, this home is surrounded on three sides by a stocked pond, with a gazebo that seems made for sunsets. The wraparound porch offers a front-row seat to the peaceful setting, while inside you'll find timeless woodwork, taller kitchen counters, and a layout with no wasted space. A 30' x 40' shop, 18' x 40' RV port, greenhouse, and workshop off the carport add both function and flexibility. Though it feels private, you're only a short drive to Denham, Walker, or Watson making this unique property the best of both worlds.
