Experience timeless elegance in the heart of Old Goodwood. This beautifully crafted home pairs classic Southern charm with modern luxury, all within one of Baton Rouge's most sought-after neighborhoods. Step through the stately wrought-iron door into a bright, open floor plan where 8 white oak hardwoods, brick archways, and custom wainscoting set the tone for refined living. The living room is anchored by a bricked-in fireplace and flows seamlessly into a chef's kitchen featuring a 6-burner Wolf range, double ovens, a large quartz-topped island, and custom backsplash. The primary suite is a private retreat with double vanities, a jetted tub, and a spacious walk-in closet. French doors extend the living space outdoors to a covered patio and private courtyard complete with an outdoor kitchen, granite counters, a tranquil fountain, and a cozy fire pit. It's the perfect backdrop for South Louisiana evenings with family and friends. The thoughtful floor plan also includes a first-floor office and powder bath, while the second level offers two flex spaces with adjoining bedrooms and baths each with its own staircase ideal for guests, hobbies, or extended family. Practical touches abound: generous storage throughout, workshop, and a sprinkler system for easy upkeep. Just blocks from Towne Center and Bocage, you'll enjoy unbeatable access
