Welcome to this energy efficient DSLD home in the popular Keystone subdivision. This home has an open concept with the living room, dining room, and kitchen all together. The kitchen features slab granite countertops, birch cabinets, energy efficient appliances, and an oversized walk-in pantry. All wet areas in the house have matching ceramic tile floors and the house has a very efficient tankless water heater for endless hot water. The same slab granite that is found in the kitchen is also in both bathrooms. The bedrooms are nice size and have plenty of closet space with a walk-in closet in the master suite. Other energy efficient qualities include double insulated windows, bib insulation in the walls, radiant barrier roof decking, and fiberglass insulation in the attic. The home also has a security system in place for your safety and peace of mind. This home checks all of the boxes and is in a great area. Schedule your showing today!
