Great multi use property. This property includes two large lots totaling approximately 6.65 acres with about 600 ft of road frontage on Weiss Rd. You will find the property has lots to offer with an existing driveway/road, electric, water, mo-dad, concrete slab and a brick garage. The lot is mostly cleared with plenty of trees for shade. It is mobile home ready or use it for your livestock. This is a great piece of property. Don't let this one get away!
