4 Bedrooms | 2 Bathrooms | 2,051 Sqft

Custom 4 Bed, 2 Bath Home on Corner Lot. This stunning one-owner custom-built home offers 4 spacious bedrooms and 2 bathrooms, thoughtfully designed with high-end finishes and modern comforts throughout. Inside, you'll find LVP flooring throughout the home (no carpet or tile), upgraded Venetian marble in all showers and tubs, and a custom shower head in the primary bath. The living room showcases custom built-ins and flows seamlessly into a chef's kitchen featuring a full upgraded kitchen package with a vented hood, pot filler, microwave in island, and custom fixtures in the kitchen, dining, and breakfast areas. The extended custom island is both functional and stylish, complemented by under-cabinet lighting for added warmth and convenience. Additional upgrades include a custom-built beverage/wine center with coffee bar, professionally installed blinds in the living area, and custom cabinetry in the master closet and toilet area. Outdoor living is just as impressive with an extended covered rear patio, complete with custom blinds, exterior lighting, fans, and shades, creating the perfect space for entertaining or relaxing. The backyard is completely fenced for privacy, along with a side gate for easy backyard access. A generator plug with a powered inlet box was thoughtfully added during construction for peace of mind.
