Beautifully maintained and located in the highly sought-after Dutchtown School District, this home offers the perfect blend of elegance and everyday comfort with a custom GW Oliver built 620 sq. ft. saltwater gunite pool and spa. Inside, a wide-open dining and living room showcases triple crown molding, wood floors, a fireplace, and wonderfully high ceilings that flow seamlessly into the remarkable kitchen and keeping room. The kitchen features a newer Thermador cooktop, a sizeable island, custom cabinetry, granite countertops and a pantry. Step outside to a spacious covered patio overlooking the pool and spa, creating an ideal retreat for relaxing or entertaining. Additional highlights include a whole-home generator, a widened driveway offering double the original space, an RV hookup with dump station, and an automatic sprinkler system in the front yard. This home is a rare find that combines thoughtful upgrades, modern conveniences, and resort-style living all in one.
