The 2025 WINTER HOLIDAYS are upon us, and I just have one question what will your address be? I also have your answer it's 6460 Nesting Drive! Welcome home to this exquisite 4 bedroom, 3 full bathroom open design of space and luxury. In this highly sought-after Pelican Crossing community, you will simply fall in love with all the upgrades and amenities this home has to offer. It is time to get all nestled and cozy by your new fireplace and listen to the relaxing and soothing crackling sounds from the fire. You can continue to celebrate the holiday season by stepping into the heart of your new home and capture the many memories you will create in your new gourmet kitchen. Sleek and sophisticated, this gourmet kitchen is the perfect backdrop for holiday entertaining. The clean lines and professional-grade appliances provide a stunning contrast to the subtle seasonal decor that will adorn your new home. Use your new spacious island and walk-in pantry to create the perfect night of festive merriment. When it is time to retire, your primary suite awaits! Designed for peace and tranquility, your new primary suite exudes serenity and intimacy. You can get your plush, chunky knit throw blanket and curl up on your king-size bed ready for a restful night. The attached ensuite bathroom offers a spa-like retreat with its double vanity, garden tub, walk-in shower and
