\$129,000

2 Bedrooms | 2 Bathrooms | 1,280 Sqft

Welcome home to this well-maintained 2-bedroom residence nestled on a peaceful half-acre lot surrounded by beautiful mature shade trees. This inviting home offers an open floor plan with neutral colors throughout, laminate wood flooring, and a bright, airy interior that feels warm and welcoming. The kitchen features white cabinetry with ample storage, an electric cooktop, stainless steel appliances, and a convenient pantry. The spacious dining area, situated just off the kitchen, is perfect for hosting family and friends. The master suite includes a comfortable sitting room, providing the perfect space to relax or set up a private office. Both bedrooms are generously sized with abundant closet space. The master bath features double vanities, a large soaking tub, and a separate shower for added comfort. Step outside to enjoy quiet evenings on the covered patio overlooking the spacious backyard. Experience the best of country living with plenty of privacy and space, right here in Walker!
