She's Got Personality + a Fresh New Look! This adorable 3-bedroom, 1.5-bath home in Westside Village has been lovingly cared for and just got a stellar facelift including a brand-new roof installed 3 months ago by a reputable local roofer! Fresh exterior and interior paint give her that polished glow, while new luxury vinyl plank floors in the bedrooms add warmth and modern style. You'll love her charming farmhouse touches black hardware accents, freshly painted kitchen cabinets, updated lighting, and smooth ceilings (goodbye, popcorn!). The kitchen features a gas cooktop, and the refrigerator, washer, and dryer stay, making move-in day a breeze. She's as practical as she is pretty, with a gas water heater, gas or electric dryer hookup, and a freshly painted storage room off the carport. Located in Flood Zone X (and per seller, has never flooded!) Though the lot measures .15 acres, it feels larger thanks to the open green space behind the home. Westside Village offers sidewalks, a welcoming community, and that friendly neighbors helping neighbors vibe. She's truly move-in ready full of charm, character, and a whole lot of heart!
