3 Bedrooms | 2 Bathrooms | 1,551 Sqft

Updated Home in a Sought-After Subdivision! This 3-bedroom, 2-bath home offers 1,551 square feet of well-designed living space with an open, airy layout perfect for both everyday living and entertaining. The spacious living room is filled with character, featuring exposed ceiling beams, a wall of windows that floods the space with natural light, crown molding, a ceiling fan, and a charming wood-burning fireplace with brick surround, flanked by custom built-in bookcases. The updated kitchen is a cook's dream complete with granite countertops, a large eat-at breakfast bar, stainless steel appliances, electric range/oven, exhaust hood, recessed lighting, and ample cabinet storage. The primary suite provides a peaceful retreat, offering a walk-in closet and a private en suite bath with a granite-topped vanity, separate shower, and relaxing garden soaker tub. Two additional bedrooms are spacious, each with walk-in closets and shared access to a full hall bath. Step outside and enjoy the fantastic outdoor features including low-maintenance landscaping, an open patio, a covered patio area, a gated chain-link fence, an above-ground pool and overlooking a lake/pond perfect for summer fun. There's also a 12x16 workshop with electricity, ideal for hobbies, storage, or a home project space. ****Recent Updates Include:**** Complete interior remodel, New
