Step inside this immaculate, like-new home and experience modern comfort with timeless style. Just under 3 years old, this home has been exceptionally maintained and thoughtfully updated. A welcoming foyer leads into the spacious open-concept living area, where natural light fills the space through large windows overlooking the backyard. The living room centers around a beautiful gas log fireplace with a classic mantle. The kitchen is a true centerpiece, featuring a large island with seating, abundant cabinetry, sleek countertops, and a corner pantry. All stainless steel appliances, including the refrigerator, remain. Upscaled lighting and fixtures add an elegant touch throughout. The primary suite is privately situated on one side of the home and overlooks the backyard. The ensuite bath features dual vanities, a separate tile shower, a relaxing garden tub, and a massive walk-in closet measuring 19'5" x 9'11" plenty of space for organization and comfort. Three additional bedrooms are located on the opposite side of the home, each spacious with double-door closets and a shared full bath. The split floor plan ensures both privacy and functionality. Step into a spacious backyard designed for comfort and functionality. A freshly painted covered patio opens to a 12x12 wood pergola designed for outdoor living and entertaining. The yard is fully fenced
