5 Bedrooms | 5 Bathrooms | 3,517 Sqft

Check out this stunning coastal retreat with breathtaking views! From the exterior, this home may appear modest in size, but step inside and you'll be amazed by how spacious and thoughtfully designed it truly is. Featuring 5 bedrooms - each with its own private full bathroom and large walk-in closet - this home offers both comfort and privacy for family and guests alike. The open floor plan is ideal for entertaining, with elegant porcelain tile floors throughout and a gourmet kitchen equipped with a double oven, drawer microwave, Sub-Zero refrigerator and freezer, stainless steel beverage drawers in the island, ice machine, pot filler above the stove, and exceptional storage throughout. Perfect for outdoorsmen, the property includes a boathouse, deck with a built-in sink for cleaning fish, and a concrete pier. There is excellent fishing right off the pier from morning to night. All around the pier are large LED lights for night fishing. The storage room and bathroom located on the ground level are plumbed for a large ice maker and feature additional elevated storage space - perfect for keeping everything organized and out of the way. Built just under 6 years ago, this home also includes a convenient lift that brings you right up to the laundry room, an automatic gate with keypad entry, and storm shutters on every window and door.
