3 Bedrooms | 3 Bathrooms | 2,580 Sqft

Discover this beautifully remodeled 3-bedroom, 3- full bathroom home in the desirable Southdowns Subdivision, where convenience meets comfort in perfect harmony. This 2, 580 square foot gem underwent an extensive renovation in 2011, featuring a thoughtfully designed addition that maximizes both space and functionality. Inside you'll find gleaming wood floors flowing throughout the main living areas, while practical tile graces the bath areas. The designer kitchen showcases custom cabinets with an abundance of storage, a gas stove for cooking enthusiasts, and large windows that bathe the space in natural light. The formal dining room provides an elegant setting for memorable gatherings. Dining room could easily be transformed into a 4th bedroom. The home also boasts a large laundry room with plenty of storage. Two luxurious on-suites offer private retreats, including a spa-like primary bathroom with an indulgent shower experience. The covered back porch invites you to enjoy morning coffee or evening conversations while overlooking the beautiful backyard, also great for entertaining. The covered carport and workshop/garage offer practical storage solutions along with another covered area behind the garage. Recent HVAC system repairs ensure year-round comfort and efficiency. The location truly shines - just 1.6 miles
