2-bed/2-bath+office in this end unit condo on the lake in a great gated community. Located off Hwy. 73 near I-10 next to the hospital, this location is quite convenient. The unit is also conveniently located right near the mailboxes and close to guest parking spaces. The open floor plan interior has been updated with new counters and backsplash in the kitchen, fresh paint colors throughout, and more. No carpet. Step out of the front door and enjoy a pleasant evening stroll around the lake or take advantage of the private fenced-in patio space that separates the unit from the two-car garage for some grilling. This community is only for owner occupants, as renting of units is not permitted. Don't miss out on arguably the best unit in the development.
