So Much Potential & Space to Make It Yours! Looking for space, character, and a property you can make your own? This spacious 30x76 double wide manufactured home sits on almost half an acre in Robinwood Subdivision, offering plenty of room to spread out both inside and out. Enjoy your mornings and evenings on the large front and back porches, perfect for relaxing, entertaining, or sipping coffee while taking in the peaceful views. Step inside to an open floor plan that includes formal living and dining areas, plus a large den with a cozy corner wood-burning fireplace perfect for movie nights or gatherings. The kitchen is designed for everyday living, featuring an island, breakfast bar, pantry tower, and stainless steel appliances including an electric range and dishwasher. The primary suite offers a private retreat with a huge walk-in closet, dual vanities, walk-in shower, and a soaking tub ideal for unwinding after a long day. Two additional bedrooms and a full bath provide plenty of space for family, guests, or a home office. Outside, enjoy the large yard with room for pets, gardening, or future projects. With so much potential and space, this property is ready for you to add your personal touch and make it home.
