Looking for an affordable, fully renovated home on nearly an acre of land in Central? You've found it! From the moment you pull up, you'll love the beautiful mature trees, the long driveway with a spacious carport, and the freshly painted exterior that gives this home so much charm. Step inside and you'll immediately appreciate the thoughtful updates throughout including: brand-new flooring, fresh paint, and a stunning kitchen. The kitchen features quartz countertops, new appliances, modern cabinet pulls, and an extended quartz bar perfect for dining. The open floor plan makes entertaining easy, allowing the chef in the kitchen to stay connected with guests in the living room. The living area is filled with natural light and highlighted by a sleek black-accent fireplace that adds a modern touch. Just beyond the living room, you'll find a bright sunroom; ideal for a playroom, home office, or cozy sitting area. Each of the three bedrooms offers new LVP flooring, ceiling fans, and plenty of natural light. The primary bedroom also includes a convenient en suite half bath. Step outside to your massive backyard, part of the 0.8-acre lot, which also offers a versatile storage building that could be customized to fit your needs. Best of all, this home is located in Flood Zone X, so NO flood insurance is required! Schedule your private showing today and come see everything this
