4 Bedrooms | 4 Bathrooms | 3,972 Sqft

This custom home features 4BR's, 4 1/2 baths with beautiful tall windows and beautiful views. It features an attached MIL suite/Man Cave or Game area. The MIL suite features a bath and it's own, 2nd full kitchen, great for that husband that likes to cook! You can step outside to your own private patio and outdoor kitchen! The dining room has Plantation shutters and a built in Butler's pantry/coffee bar for entertaining. The kitchen features a gas stove, lots of counter space, warming drawer and gorgeous granite counter tops. The keeping area off the kitchen has a fireplace and is open to the kitchen and vaulted breakfast area with beaded board ceiling. The Primary bath has double sinks and roomy closets. The bedrooms are all very roomy with natural light and wood floors. A rare property that has to be seen!
