5 Bedrooms | 4 Bathrooms | 4,220 Sqft

Tucked away in the prestigious Greystone Golf & Country Club, this breathtaking 5-bedroom, 4-bath home offers elegance, comfort, and unmatched modern upgrades. Sitting on a .44-acre lot with sweeping golf course views, this 4,220 sq. ft. estate has been fully transformed since its 2009 build. The freshly painted exterior with recessed eave lighting sets the tone, while inside you'll find new flooring, paint, and brick-accented fireplaces. The chef's kitchen is a showstopper with Thermador appliances (steam oven, warming drawer, pro range hood, refrigerator/freezer, microwave, dishwasher), Scotsman Sonic Ice maker, custom cabinetry, and stunning countertops. The primary suite is a spa-like retreat featuring a soaking tub, expansive glass shower with quartzite bench, and a custom built-in closet system. Every fixture and finish has been upgraded with designer selections. Step outside to your private resort: a professionally designed backyard with outdoor kitchen, wood-burning fireplace, Alfresco appliances, built-in Green Egg, retractable Phantom Screens, and a resort-style pool and hot tub controlled by iAquaLink. Enjoy a six-hole putting green, in-ground trampoline, and lush landscaping. Smart home features include Lutron lighting, Flo by Moen water monitoring, whole-home surge protection, Generac generator, UV air purification, dehumidifiers, and
