This newly remodeled move in ready home is on the market! New AC, new electrical, new cabinets/countertops, new floors, new sheetrock, spray foam walls, blown insulation in attic and new roof! This very spacious home offers two master bedroom suites each with walk in closets, separate tub showers in each with dual vanities. The other two bedrooms are across the hall from each other and share a bathroom. The home is nestled on a huge 118'x119' corner lot down the highly sought after subdivision of The Highlands! Buyer also has the first option to purchase an additional lot behind the house to add to the spacious lot for them extra trailers or even a workshop/shed to be built on. This truly is a must see and buy home!
