4 Bedrooms | 2 Bathrooms | 1,679 Sqft

This nicely maintained four-bedroom, two-bath home is tucked away in the charming Essen Terrace subdivision. Inside, the home features a spacious and inviting floor plan designed for comfortable living and effortless entertaining with a spacious living room. The kitchen showcases painted cabinetry complemented by ceramic tile countertops and flooring. The master ensuite includes two generous walk-in closets with updated shelving, a large vanity with double sinks, and a relaxing garden tub accented by an elegant chandelier. The second bathroom also offers a large vanity with dual sinks and direct access from both hallways, ideal for the additional three bedrooms and visiting guest. A standout feature of this property is the covered outdoor patio equipped with dimmable recessed lighting and multiple ceiling fans, creating an excellent setting for gatherings & cookouts. There is also soffit lighting and the roof, A/C, and patio are all only four years old. Additional outdoor bonuses include a 14 x 16 metal building with 15 amp electricity already run to it only an electrical panel is needed to complete the setup and a 50 amp connection available for use. This inviting home is ready to welcome its next owners schedule your showing today.
