The Ultimate Country Escape! Discover the charm and character of this private, custom-built two-story home nestled on nearly 10 acres along a long driveway. With wood siding and a durable metal roof, the property offers true seclusion while remaining just a short drive to Central. Inside, the home features warm wood detailing, a brick fireplace, and a kitchen with natural wood cabinetry, stainless steel appliances, an island, pantry, and an open flow to the formal dining area. Recent updates include a fully remodeled upstairs bathroom and new carpeting, blending modern comfort with the home's timeless appeal. Outdoor and hobby enthusiasts will love the expansive amenities, including a pond, a massive covered RV port with full hookups, a 3-car garage, functional utility barn, and additional outbuildings, perfect for storage, workshops, or projects. This property is a rare opportunity to enjoy country living with space, privacy, and endless possibilities.
