Step into this beautifully updated 4-bedroom, 2.5-bath home set on nearly 2 acres, with an additional 3 acres available for purchase. The interior has been thoughtfully refreshed throughout, featuring engineered laminate flooring, granite countertops, a white-brick fireplace with built-in bookshelves, and a bright modern palette accented by gold fixtures. The kitchen offers a gas stove, ample counter space, and built-in wall appliances, including a wall oven and microwave, and flows easily into the spacious dining area filled with natural light. The generous primary suite includes two walk-in closets and a stunning en suite bath with double vanities, a luxurious walk-in shower with a soaking tub inside, a separate built-in vanity area, and a private water closet. The additional three bedrooms are spacious, and the updated guest bath showcases granite counters and coordinated gold finishes. A separate den adds exceptional flexibility perfect for a home office, media room, 5th bedroom, or whatever suits your lifestyle. The laundry area includes a convenient half bath. Outside, you'll find a large covered carport, two connected storage sheds, and a gated entrance at the front. This property offers space, modern updates, and versatility ready for its next owner to move right in. Schedule your viewing today!
