3 Bedrooms | 2 Bathrooms | 1,787 Sqft

This charming home is located in one of Zachary's most desirable areas with a quiet street and generous sized lots. The 3BR/2B home blends comfort, style and thoughtful updates throughout. Step inside to a spacious and open living area featuring newer laminate floors and a cozy wood burning stove, giving you plenty of room for relaxing or entertaining. The adjoining kitchen has been refreshed with newer ceramic tile floors, beautiful wood butcher block counters and a classic subway tile backsplash. The dining area connects the living and kitchen and there is also a breakfast bar for casual meals. All three bedrooms are generously sized and feature wood look laminate floors - no carpet in the house at all! The guest bathroom offers a double vanity, while the updated primary suite bath showcases a jetted tub, a custom walk-in shower, and a dual sink vanity topped with beautiful butcher block counters. Step outdoors to enjoy a large backyard with an inground vinyl lined pool, perfect for summer days. The pool pump and liner have both recently been replaced, giving buyers peace of mind. A 2 car carport with additional patio space adds room for grilling, gatherings and outdoor relaxation. The roof was replaced just 5 years ago and the HVAC system was replaced inside and out 4 years ago. If you are looking for an updated home with great space in
