Wow what a deal!! This 3 Bed 1 Bath is on an oversized lot 60x180 +/- feet deep with plenty of space for all your stuff, boats etc. This home needs minor work like flooring, some painting kitchen updates, water heater etc. However the air condition unit is a few months old. Would make a great family home, rental or flip it!! Sales price reflects As is value. Two living areas Use one for guests and one as a den for family and friends!
