5 Bedrooms | 2 Bathrooms | 2,112 Sqft

Looking for a home with lots of space and a great location? Get ready to fall in Love! This fantastic home offers over 2,000 square feet of living space and sits on a half acre lot. The home features an amazing oversized kitchen that any Chef would be thrilled over and includes Whirlpool appliances, gas range, custom pantry with drawers, and a large eat at Island. Featured directly off of the kitchen area is a Dining Room providing ample area to serve many guests at one time. You will feel right at home in the spacious Living Room which boasts an inviting wood-burning fireplace, perfect to relax at and enjoy after a long day, or on those chilly winter mornings. The Master bathroom is fabulous and offers a garden tub as well as a separate shower and double vanities. The home features a roomy Primary bedroom with a walk-in closet as well as 4 additional bedrooms plus an additional bathroom. A home with this much separate space and room for everyone is a rare find! You will enjoy entertaining and grilling on the oversized covered patio area featuring ceiling fans, lighting, and a built-in eat at bar area. The property includes an 8x12 storage building that features shelving and cabinets for ease of storing your project materials. The back yard is fully fenced so you will have no worries about keeping your little ones or pets safe and secure. The property is in a
