4 Bedrooms | 2 Bathrooms | 2,393 Sqft

This 4-bedroom, 2-bath home is spacious and inviting. The living room has vaulted ceilings, a wood-burning fireplace, and built-in storage. The separate dining room connects to the kitchen that has ceiling height cabinets for added storage. There's hardwood and laminate flooring throughout the home, making it easy to maintain. Outside there's a newly installed wooden privacy fence that encloses the back and side yards. Additionally, the double pane windows, tree shaded lot and zoned AC units keep the utilities very low and manageable. Showings are easily accommodated and approved at a moments notice.
