\$6000 TOWARDS BUYERS CLOSING COSTS! Another Stafford Custom home and the remarkable details you desire! Through a wall of windows natural lighting illuminates the family room, dining and kitchen areas allowing the beauty of the pecan flooring to capture your eye. Stainless appliances, gas cooktop, granite tiled counters, cypress cabinetry and plenty of crown moulding accentuate this open plan. In addition to the 4 bedrooms this plan has an additional room for an office, storage or anything else you may need space for located off kitchen. The master bedroom provides ample space for furniture with a master bath featuring a sep. shower, jetted tub, generous closet and counter space! The children may occupy one side of this home while the guests will have their own private area in this triple split plan.
