Nearly new construction in Calumet Estates. 1.5 acre lot conveniently located minutes from either bridge. Wonderful split floor plan with wood and gleaming stained concrete floors. Ceilings are 12.5' in public areas and 10' in the bedrooms. Custom Cabinets and granite on every counter top, even the kids bath. Open kitchen, breakfast, and den with big screen TV built into wall. There is also an enormous media/living/play/bonus room on the first floor measuring 26' X 16' with a huge walk in closet. This room could also easily be used as a mother-in-law suite. Central utility room with tons of built in cabinets and freezer space. Master bedroom with patio and an exceptionally nice office or exercise area measuring 14' X 13' with built in storage and counter space. Master bath has oversized garden tub, large walk in shower, private potty room, separate sinks & counters, hers with a make-up vanity. Large kid rooms with Jack & Jill bath and walk in closets big enough for all their stuff. Large workshop or boat port with separate garage door entry. Easy to show. Couple relocating.
