Great Home for Great People! 3Br/2Ba home with LOTS of storage! It has a living room with lots of storage & windows, a kitchen with lots of cabinets, a room that was used as a beauty shop (has an extra 30 gallon hot water heater) but could be used as an office, craft room, kids hang out or whatever you want and is divided by shelving from a small den. In 2008, home was updated with new roof and new A/C. All windows are double insulated which cuts out a lot of noise and could lower utility bill. Located in a very convenient area near Cortana Mall and is on a tree shaded street. Home needs a little updating.
