NEW PRICE and new ceramic flooring in kitchen to help you with that big decision on buying a home (not to mention the \$8,000.00 tax rebate for first time homebuyers). This traditional brick home in Plantation Estate Subdivision is located on a deadend street just minutes from downtown St. Francisville. It is situated on a beautiful 2.45 acre lot with a fenced in back yard overlooking a wooded area. The home features a spacious living room with a cozy fireplace, combination kitchen/dining area with french doors leading onto a wooden deck, a large master bedroom with walk-in closet, playroom/hobby room, large Jack and Jill style bath and a very large laundry/mud room. As an extra bonus there is a 24x24 workshop and kitchen separate from the home that was built in 2001. A must see for someone looking for a home with a spacious private lot close to the heart of the city.
