Amazing before and after! Just like the magazines, decorator Patrick Tandy turned this home with "great bones" into a show place! Among the amenities are the new fabulous custom window coverings throughout, new special light fixtures such as Niermann Weeks chandelier in the dining room, new hardware, quartzite countertops in the kitchen with mostly new appliances, new paint in and out featuring soft neutral colors, refinished pine and brick floors throughout the downstairs, updated master bath with new seamless shower featuring travertine and a very special wallpaper. This 5 bedroom (plus study) home has a versatile floor plan accommodating most families. Electric gates and decorative iron fencing in addition to lush landscaping make this home a private oasis in a great convenient location.
