3 Bedrooms | 2 Bathrooms | 1,288 Sqft

Energy efficient all electric 3 bedroom and 2 bathroom home on double size lot is waiting for you. The 2 car garage has been air-conditioned and heated, but is not included in living area square footage. There are even ceiling fans and phone lines in the garage. It would make a great exercise room or home office. The area over the garage is floored for extra storage. The bedrooms are large and 2 of them offer walk-in closets. The living room has a real fireplace and varied ceiling heights. There is a large storage room near the back patio. This home is low maintenance and close to interstate, shopping and hospital.
