Goodwood Estates beauty! This cottage style home has had quite a bit of updating. The open floor plan features the original hardwood floors throughout most of the house. The large living room/dining room has a gas log fireplace and wall of shelves. The kitchen has a large island with slab granite, cypress cabinets, Wolf commercial gas range and stainless appliances. The sunroom has a wall of windows overlooking the beautiful landscaped backyard. What a great place to have parties! The side yard is quaint, private patio that is shaded from the afternoon sun. A swing is hung from a vine covered arbor. The home also features architectural shingles, fresh interior paint, newer four over one windows in the dining room and sunroom, mostly brick exterior for low maintenance. This home is minutes from Towne Center, hospitals, and the interstate. The seller is offering an AHS home warranty.
